HE PURPOSE to which David Lipscomb College is dedicated is "to give Bible teaching its true importance in education; to train children to be better, truer Christians. . . All alike need the Bible teaching; need to appreciate religion above all else, and to carry the teachings of the Bible into their lives, whatever they do and wherever they go."

These words of David Lipscomb establish this school as a Bible School. This is a fact that has been upheld by its leaders since its beginning sixty years ago and that we are proud to uphold now. Many things have changed during this time and much progress has been made in a material way, but this original mission of the institution has remained constant in the hearts of its trustees, its administrators, its faculty, and its students.

The aim of this, the 1951 BACKLOG, is to record the activities of the sixtieth session of the school. The contrast between the old and the new is intended to keep alive the fact that although Lipscomb may grow, improve, and expand, its purpose remains the same. May it ever be so.

THE EDITOR.

DEDICATION

This book is affectionately and humbly dedicated to one whose life and character could well serve as a model to any student. Love and appreciation for him grow with length of acquaintance. His life is sincerely devoted to the service of God. His love for the students is untiring, unselfish, and understanding. His tasks are without end and often without praise, but he does them faithfully for the benefit of the school and the glory of God. We believe that he exemplifies the true spirit of Lipscomb and so we dedicate this, the 1951 BACKLOG, to Vice-President WILLARD COLLINS.

President's Message to Lipscomb's Sixtieth Student Body

When you open this volume in the years to come it will bring back to your mind the many friends and happy associations that you have known in these halls and on these grounds. The campus, the buildings, the faculty, and all that goes to make up Lipscomb was planned for you—her students. I earnestly hope that every influence that has touched you here will be a blessing throughout your life. In time to come you will tell your children of Lipscomb and plant a dream in their hearts which will resemble the fond memory in yours. I want you to remember Lipscomb, and I want you to know that Lipscomb will always remember you—her sixtieth anniversary student body. I too will turn through the pages of the BACKLOG of '51 in the years to come, and memories will stir in my heart as in yours. I shall follow your various careers with deepest personal concern. When you win success I shall rejoice with you. If sorrow comes my prayers will reach out to God for you. In the long journey ahead, if I may be of help to any one of you in any way I beg you to let me know.

Sincerely your friend,
ATHENS CLAY PULLIAS

RELIGION

BATSELL BAXTER

Head of Bible Department

A familiar scene to Lipscomb students is Brother Baxter lecturing on the many phases of Christian living. His outstanding characteristic is living the truths he has learned as well as teaching them. A favorite scripture of his which he teaches as well as lives is found in Micah 6:8b. "And what doth the Lord require of thee, but to do justly, and to love kindness, and to walk humbly with thy God?"

Intramurals

The intramural football race this year was close all the way. The winners of both leagues ended the season undefeated. The Maroons paced by Ed Baker, Wayman Winters, and Ralph Grandy won the "A" league while the Gators led by Tom Beck, Richard Blackman and Roy Sims won the "B" league.

In the playoff for the championship the Gators broke a 7-7 tie at halftime to score a 13-7 victory over the Maroons.

In the intramural basketball leagues, the Golds won the "A" league with 7 victories against one defeat while in the "B" league the Greens won the title with a perfect record of 7 wins against no defeats which was the only perfect record in the basketball race.

The spring sports schedule includes softball, tennis, ping pong, and badminton. The defending champion team, Davidson County, has been broken up so the race appears to be wide open this year.
